Due to the inclement weather last week, the City of Norman Sanitation Crews were not able to provide solid waste pick up for every scheduled area. The Sanitation Division will return to last Thursday and Friday routes that were missed to collect waste. Due to the condition of side roads, Sanitation routes that are east of 48<sup>th</sup> Avenue and not located on major roadways may not be serviced until later in the week.

Crews will not be collecting any yard waste this week.

If you should have any questions, please call the Sanitation Offices at 329-1023.
